2013/14 meets

New Year at Caseg Fraith

This year (and next, in fact) why not bring your festive celebrations to Caseg Fraith? We can't promise snow but left-over mince pies and assorted beverages guaranteed.

Contact Heather Rumble (president@ulgmc.org.uk)

Skiing 2014 (March?)

Neil Brindley and Mike Hale are looking at the feasibility of running a ULGMC ski trip next year. Date and location to be decided but we will be looking to do it reasonably cheaply so possibly France (ed: I'd prefer Voralberg (Silveretta) in Austria as it is close to Zurich).

Contact: Neil Brindley (nwbrindley@mail.com) and Mike Hale (mikejhale+ulgmc@gmail.com)

Caseg for ULMC 1990s (others welcome): 1-5 May

Trip to meet up with old friends (OK we are starting to go grey, losing hair etc). Perhaps take the bottle of bubbly that is on offer for the 12 hour challenge (read later). Kids welcome. On line booking: http://iurl.no/20054.

Contact: shaun.west@mailhec.net or use online booking.

Land's End: Spring Bank Holiday 2014

As always, the meet will be held at Trevedra Farm, Sennen from Thursday 22 to Wednesday 28 May 2014. We already know that because of GCSEs and ALs some people will not be attending and so we have booked a smaller number of pitches with Wendy Nicholas. As usual she will require **confirmation of our booking by 1 FEBRUARY 2014** and so we must ask **EVERYONE (including 'regulars')** who is planning to come to let us know before that date so that, if necessary, we can try to negotiate more space with Wendy.

Contact: Margaret and Geoffrey Batten, grb@batten.eu.org, 0121 475 6604

Alpine Summer 2014

Mike Hale is also looking at planning another trip to the Alps for next summer. Again dates and location to be decided.

At the moment we are looking for ideas and initial expressions of interest, so if you are interested in either trip (even vaguely) then please get in touch with Mike Hale (mikejhale+ulgmc@gmail.com) and he will make contact with all the people who express interest. (Note the editor's preference is for the Siveretta or the Voralberg.)

Oggie 8 fundraiser: 2-3 August

On the 2nd August 2013 **Ogwen Valley Mountain Rescue** (OGMRO) will run their annual fund-raising event known as **Oggie 8**. Teams of 2-6 people race to climb all of the 8 mountains over 3000 feet (914m) along the Ogwen valley.

The route starts at OGMRO base station opposite Caseg Fraith. The first peak is Carnedd LLewelyn followed by Yr Elen. After that one follows the ridge over Carnedd Dafydd to Pen yr Ole Wen from where one descends towards Ogwen cottage using the "back way". That's one half of the route done. The return is via Y Garn, Glyder's (including Castell y Gwynt) and Tryfan.

Last year 21 teams participated and the winning team ("To the pub") completed the circuit in 7 hours and 48 minutes. The slowest

team completing the circuit took 14 hours and 28 minutes. Only two teams retired early.

Stephan Tietz and Heather Rumble are planning to partake and they are looking for people to join their team or to support their efforts by helping us raise money for OGMRO. This is their main fund raising event of the year and at previous years participants managed to raise almost £100 per person! You can sponsor them by either visiting http://www.ogwen-rescue.org.uk/sponsor/ (and then choose the event under "Stephan Tietz") or donating cash during upcoming meets and socials.

Meets and ad hoc trips

Symonds Yat Report, by Keith Mott

I am sorry to say that the mass attack, as promised in last year's report, did not materialise. This may have been in part due to the trip to the Dolomites which ended the previous weekend.

The three of us, Rachael now spends her summers on archaeology field trips, and the dog had a great time nonetheless in the heat of the summer. We had rain, at times, but it was always warm.

Although this has not turned out to be as popular meet as we first thought, we will probably book the same 3 pitches again in the hope that someone will join next year.

AGM Report, by Heather Rumble

The AGM this year took place in The Lake District with most members centred round Great Langdale. Stephan and I joined Mike Hale, the Battens, the Baileys, Bill Towlson and Sue Darling in the basic but charming Blea Tarn hut. We had a very merry time discussing club history and the various snoring pitches and volumes present in the hut.

Mike, Stephan and I went for a walk on the Saturday up to Stickle Tarn and across the Langdale Pikes, bumping into Kim Ashworth, Andy Worster, Mike Pollitt and Georgia Ferguson (ULMC President) who were out for a scramble. The scenery was dramatic and atmospheric. I regretted wearing walking boots as multiple river crossing were deeper than the ankle on them...

After our bracing walk in the rain, a shower scrounged from Keith and Eleanor Mott was most welcome before the dinner, which took place in The Old Dungeon Ghyll.

It was an excellent turnout this year and the AGM itself was the shortest in recent history. Though not entirely by design there were few controversial topics this year to deliberate on for any length of time. The dinner was, as usual at the ODG, excellent, as was the company. Chatter continued into the early hours in the comfortable ODG sitting room before the whisky supply in the bar ran out and us Blea Tarners scarpered back up the hill. Mike, Stephan and I made the most of the full moon and enjoyed a (quiet!) beer under the stars before bed to celebrate Mike's birthday.

On Sunday afternoon Stephan, Mike, Sue Darling and myself briefly walked around Ambleside before ambling back down to the South. The walk was long enough to get absolutely soaked again though, after having already achieved that status walking from Blea Tarn to the ODG in the morning. Personally I have yet to visit the Lake District without getting soaked and look forward to our next Lake District trip being sunny and dry. If anyone has any tips about the best time to go, I am all ears!

The AGM was a great weekend and went off without a hitch. This wouldn't have been possible without Linda Coombs who ran the whole thing, so thanks to Linda and we're all looking forward to next year.

October snow in the Glarusalpen, by Shaun West

I can always pick the weeknd for it to snow. No idea how but I did when I walked around Mt Blanc in October 2 years ago and this this way no different! But it did mean some nice photos!

The snow line was only 200m above Schwanden in Glarus but with luck and planning Peter and I were well equipped with snow shoes so that we could walk in the fresh powder. And although it was only October the snow as really light... more later. After getting the tickets for the Luftseilbahn and negotiating NOT buying the special local cheese (it has the largest stink in the world). We were wished up 600m or so to a real winter paradise - and it was cold just like winter with massively blue skies. We walked up past the bottom of the dam and started the walk abound the See until we found the route up. This was our mistake!

The sog up was OK as we were in the shade and there was no wind. Breaking

tracks is tough and in the cheap Decathlon snowshoes it is really hard. Every step would break the crust. How hard can 400m up be? VERY and we only walked 1.5km along to add insult to injury.

I had been hoping that once we got into the sun the snow would be easier. BUT no it was rubbish too, only now we were facing the hot sun. Oh I really wish I had forgotten the shoes and bought skis... One lives and learns. So what's next? We agreed to bale out (in good weather!! I must be going soft) as it was eating at us. The route we took was direct... The See was under us and we walk down the steep slopes. The snowshoes working well and digging into the snow. The trees become catapults ready to launch snow if you dare to touch them. The views were stunning and the way day dam hard work!

We made the path... from there is was a really easy walk back to the lift station and the drive home. The weather was turning as the Föhn was blowing - rain in the morning then!

Club News

Presidents report

Heather Rumble

The AGM is over and a new year for ULGMC is underway. We've had major changes within the committee, with Mike Hale taking on the role of VP, Mike Pollitt (temporarily) taking over as secretary and Stephan Tietz joining us as treasurer and membership secretary. Sue Darling also joins us on the committee after a brief retirement. The committee has missed the guidance of a diplomat in her absence! We Hope that this year we'll make some real progress developing the clubs sustainable future and I'd like you to join me in welcoming the new committee members.

However, without the foundation left by those members retiring we would surely not be as successful. We are extremely grateful to Tim Marshall, retiring VP who has given support and guidance over the years; Mark Stitson who has kept the clubs core functions running smoothly for six years as secretary and has extended our relations with ULMC and last but not least Keith Mott who has kept us in the black at the bank as treasurer and brought the books up to date. Thanks all and enjoy your retirement (although we haven't given them complete freedom as they are now co-opted)!

I'd also like you to join me in thanking two members of the club who are not official members of the committee but work tirelessly keeping the engine running: Jill Bennett, the club archivist and Shaun West the newsletter editor. Without them the committee wouldn't function so thanks to you both.

Being a member of the committee is hard work, but knowing that we are continuing a club with a long tradition is rewarding, as is being able to provide those new to climbing and walking with unforgettable experiences. The astute among you may recognise a sales pitch when you see one...

Yes, we are currently looking for a secretary and in six months or so we will also be looking to recruit other new people onto the committee to learn the ropes. So, if you are up for the challenge, please email me. If not, enjoy the hills this winter!

Membership Secretary and Treasurer's Report (missed from the pre-AGM newsletter)

Keith Mott

As we managed to present 2 sets of accounts at the last AGM I am pleased to announce that only one set can be found elsewhere in this newsletter. Also, since the year now runs to the end of September, all figures are preliminary and bank balances are only up until the end of August.

In terms of numbers we are currently at 13 honorary, 51 singles, 51 couples/joint, 4 affiliated children, 2 overseas singles and 2 overseas couples. This is against 13, 32, 45, 2, 1, 1 for 2012. I am sorry to report that I failed to reach my target of 120 renewals, if only by one. That's 177 heads in total with

161 adults and 4 children affiliated to the BMC

Donations are back to their previous levels, apart from the adoption of SARDA. I would like to propose that we continue support of all five groups and ask that you consider raising the donations, if only by a token amount.

There is an additional line in both Income and Expenditure this year. This reflects the purchase of clothing baring the club crest. It has been seen both at home and abroad and, maybe, even, at the AGM. Another lot is being considered.

Net assets are up and liabilities down. If only we were running the country. Only quantitate easing here.

If I were handing over the red attaché case this year I would be pleased with the progress we are making, most, if not all, due to others. My report would read, as always, COULD TRY HARDER. Harder at trying to recruit a replacement?

Please enjoy the dinner.

Membership Renewal

Stephan Tietz

It is that time of year again, please remember to complete the renewal form (at the back of the newsletter) if you haven't vet!

I have taken over as membership secretary from Keith, so you will need to return the form to a new address this year: Stephan Tietz, ULGMC Membership Secretary, 3 Phoenix Place, 41-43 Gresham Road, Staines-upon-Thames, TW18 2BZ. Alternatively, you can email it to members@ulgmc.org.uk or fill it in online: http://members.ulgmc.org.uk/renewal (login as user "london" with the password "caseg")

And don't forget to pay your subscriptions either by cheque or bank transfer (details are on the renewal form or online). We haven't raised the subscriptions: £20 (£6.50 Ex UK), Joint £30 (£8.50 Ex UK) and £7 for each child to be covered by BMC insurance

And if you are not sure yet if you want to renew, here are a couple of reasons to nudge you in the right direction: Linda has compiled a stunning meets list for this year, which include all-time favourites like the bank holiday weekends and the bonfire meet, meets to locations we haven't gone to for a while (e.g. Yorkshire Dales) and oneoff specials like a Tour de France meet at Fallcliffe and a fundraising event for Ogwen Valley Mountain Rescue! We are planning on having the AGM at the Royal Oak this year, so the food should be excellent. We will have a new webpage which should make it easier to check on club news and to access newsletters and archive material. And of course there are all the usual

goodies like newsletters, membership cards and BMC liability insurance (the BMC multiple membership refund form can be found at the back of this newsletter or online).

Many thanks and I hope you enjoy the coming year!

Snowdonia fell running challenge

Stephan Tietz

I would like to remind people of the "Snowdonia fell running challenge" which I set out in the last newsletter: I bought two bottles of "finest" Freixenet Vintage Special (i.e. bubbley). The first will go to the person completing the Oggie 8 (Tryfan, Glyders, Y Garn, Pen yr Ole Wen, Dafydd, Llewelyn and Yr Elen) in a round trip from Caseg in less than 12 hours (not necessarily on the official OGMRO challenge, mentioned earlier). The second will go to anyone completing the Welsh 3000s (either peakto-peak or as a round trip) in under 24 hours. To be able to provide some support and so that it can be ratified, it should happen during the Easter, OGMRO, August or New Year's meets. However, give me a shout if you want to attempt it any other

Club archives: the Mountain Heritage Trust

Jill Bennett

In July we discovered Allan Bank, a recently open National Trust property a short walk from Grasmere village centre. The house includes a mountaineering and exploration library with an interesting range of books. (Not for sale) We picked up a leaflet on the Mountain Heritage Trust (www.mountain-heritage.org) which was founded in 2000 to record and preserve Britain's rich heritage in the fields of climbing, mountaineering and mountain culture.

Based in Penrith, the MHT is creating an archive, sets up exhibitions etc. and one of their projects is to collect information about archive material held by mountaineering clubs. Apparently they contacted all BMC affiliated clubs some time ago.

As ULGMC Archivist, I thought we should be listed with the Trust, so I emailed them, and received a questionnaire to complete, describing the nature of our archive material, where it was held, whether it was accessible and so on. (Its held by me, and yes it is accessible - just ask.)

So we are registered with the Mountain Heritage Trust - and they have an

interesting website, worth a look, see above

Club archives: Northern Latitude Group

Jill Bennett

In some ULGMC envelopes labelled correspondence, I found 2 booklets describing meets in Iceland of the Northern Latitudes Group. These do not appear to be official ULGMC meets. They are as follows:

With the Northern Latitudes Group in "Ultima Thule": the Inaugural Meet of the Northern Latitudes Exploration Group, 1956, led by Derek Quested.

Ultima Thule Revisited: an account of the second meet to Iceland of the Northern Latitudes Group, 23rd Aug. - 9th Sept. 1962., by Derek Quested.

One of the copies bears Geoffrey Williams' name, and he did take part in the second meet. There was also a letter addressed to him.

I emailed Geoffrey to ask if he would like them back, but had no reply. Maybe the address was out of date ...

If anyone would like them, please contact me (jill.bennett@waitrose.com).
