Meets and News from Members

AGM meet: 10-12 October

Heather Rumble

This years AGM was in the mountains of Snowdonia and coincided with the BMC Safety Seminar. This meant a bumper year for Caseg, with a good mix of AGM attendees and students from Universities across London. Students from Royal Holloway, ULMC and Kings were entertained (or terrified?) by our members, talking into the Friday night about politics and gin.

On Saturday the youngsters were up bright and early for their day's training with the BMC (including Mark S, who had opted for the luxury Plas Y Brenin accommodation). Sam, Mike P, Stephan and I went to summit the prominent Yr Aran (that we had all mistaken for Cnicht on a previous adventure), particularly enjoying watching the steam trains roll into Beddgelert from both directions. We made it back to the hut with fifteen minutes to spare before our taxi whisked us off to The Royal Oak, Betws-Y-Coed, for the AGM.

The AGM went very smoothly, despite some controversial topics arising, such as membership fees and the constitution. The Royal Oak once again put on a lovely meal as well as some excellent beer to accompany it. Our guests this year were Francis and Amelia from the current ULMC committee, who have joined us on several

excursions throughout the year. All who attended made a special effort to make them feel welcome. In general I noticed a lot more mixing of generations at the AGM this year, which was a great sight to see and I think made it a really memorable weekend.

On Sunday we (Sam, Mike P, Stephan and I) tramped up Pen yr Helgi Du, meeting a rather charismatic (and extremely disobedient, much to our amusement) dog on the way down. We also made sure we had a QMD by trudging through a bog. Overall a great weekend.

Bonfire Meet: November (when else?)

Keith Mott

Arriving on Friday night it was surprisingly warm for the beginning of November and we didn't need to light the fire immediately. Heather, Stephan, Mark S, Peter (guest) and Tom

(ULMC) arrived after we had gone to bed, which set our dog, Jack, barking. He investigated Heather and then went back to bed.

On Saturday morning the weather was beautifully clear and the others went off to enjoy the day. Mark and Tom went climbing, while the others went walking around Mam Tor. Mum, Jack and I went to Burbage and enjoyed a gentle walk in the sunshine, before returning to the hut to prepare the meal. Bill and Carole Bristow popped in for a couple of hours during the afternoon. Mike and Amelia arrived early evening and Heather, Stephan, Mark, Peter and Tom arrived back soon after, now with Sam, Andy W and Mike H in tow. They immediately went out to build the bonfire by torchlight. After baked camembert, other cheeses and a selection of meats, we had a display from Stephan and Andy of a firestick and the first round of fireworks. For the main course as usual we had spaghetti

Bolognese and garlic bread. After a second round of fireworks, bread and butter pudding and apple and blackberry crumble were the order of the day.

Sunday morning after a breakfast of leftover pudding, Mum and I packed up early and headed for home and Dad (who we had left behind ripping out the bathroom), leaving the others to another lovely day out and about.

Wonderful weather, fantastic fireworks and fabulous food made for another classic Falcliffe weekend.

K5 in Braunwald

Shaun West

"How far does the pitch overhang?" was my question to Peter my climbing partner. The drop was 300m so far enough to be a little 'airy'.

We had completed the first half of the route a year or so before and also had wonderful weather. We bailed on the 'hard' part and that was a good lesson. This time we returned to complete the route. Or more the 'hard' part. The klettersteig is graded at K5 and is worthy of K5. The rock is solid and the gear is new and well installed. Nevertheless it is demanding and you really don't want to test the kit out.

From the top the views was fantastic, generally few people as it is not in a touristic

part of Switzerland. Strange as it is only just over an hour from Zuri. This is a great place to get your head in if you are heading down to the Wallis or the Oberland for your summer holidays.

President's Corner

Heather Rumble

At the end of the newsletter is a redraft of the constitution, as circulated at the 2014 AGM. We would ultimately like this to be voted in at the 2015 AGM. The draft version attached is now open for comment, especially for those that were not present at the AGM. Please send your comments or queries to Heather (president@ulgmc.org.uk) by the 28th of February.

It is with regret that I have to inform the club that Linda Coombs is standing down as meets secretary. Linda has done a fantastic job over the last two years and before that as a committee member without portfolio. Please join me in thanking Linda if you see her on future meets and in wishing her all the best in the future.

Sam Hardman has nobly volunteered to take over the role until the next election.

Hinterer Eggstock, Brunwald (GL)

The details to contact Sam will remain the same (meets@ulgmc.org.uk) and we hope she settles into her new role over the coming months.

Membership Sec and Treasurer report

Stephen Tietz

My first year as membership secretary and treasurer is coming to the close. It has been quite a ride. So, here is a quick summary of what we have achieved:

- We have 180 members for 2014 (slightly up from 176 in 2013)
- BMC liability insurance has been paid for 166 members and the club continues to stay affiliated with the BMC
- We raised the membership fee for joint/family membership from £30 to £35 and kept the single membership at £20. We did this due to an increase in BMC liability insurance and to spread contributions towards the club more fairly (the club now receives £6.75 from a single and £8.50 from a joint instance, i.e. £6.75 and discounted £4.25 per head respectively).
- Membership fees can now be paid by cash, cheque, bank transfer or direct debit. We are using GoCardless to process direct debits. The club is covering the cost of 1% per transaction as we will save on not having to chase people.
- I updated the membership forms to make it clearer how we use personal data (Data Protection Act) and to allow people to opt out of sharing their address, telephone number and email with other members of the club. This brings us in line with BMC guidelines.
- The club donated a total of £310 to Mountain Rescue England & Wales, Mountain Rescue Scotland, Search and Rescue Dog Association, Friends of the Lake District and Snowdonia Society.
- The AGM agreed that we will continue our supports for these organisations and that we will continue to support meets.
- The financial year has been changed to run from 1st January to 31st December. This is in line with our major income from membership fees and major expenses, i.e. BMC liability insurance.
- The accounts for 2013 (Keith's last year) show a surplus of £300.58 and the forecast for 2014 shows a surplus of £182.58.
- The club is in good financial health. We have assets worth £5113.30.
- Accounts for 2013 have been accepted by the AGM pending scrutiny. Full accounts for 2014 will be published in the spring edition of this newsletter.

As always, if you do have any comments or queries, please email (members@ulgmc.org.uk) or telephone (07984 583146, evenings and weekends). Also, don't hesitate to contact me if you are planning on booking huts for meets and need to put down a deposit.

We are well prepared for 2015, so all that remains to say is to please fill in the attached Renewal form and return it, either to my (new) postal address: Stephan Tietz, Membership Secretary, Top Flat, 56 Harvey Road, Guildford, GU1 3LU; by email (members@ulgmc.org.uk) or renew online <http://members.ulgmc.org.uk/renewal> (user: london, pw: caseg)

See you all next year and I hope for some excellent winter conditions for the last leg of the year!

BMC Student Safety Seminar 2014

Mark Stitsons

Every year the BMC run the Student Safety Seminar. This year it coincided with the ULGMC AGM which is why I as ULMC liaison could not attend the ULGMC AGM (but did manage to attend the dinner).

Around 100 students from 50 university hill walking, climbing and mountaineering clubs attended the event. ULMC as well as various University of London colleges'

individual clubs' committee members attended.

The event takes place at Plas-Y-Brenin, the national mountain centre, but is taught by over 40 volunteers, who although professional instructors give their time freely.

Students are given a half day of talks on anything ranging from legal implications of running a club, or gear maintenance to dealing with student unions who rarely understand our sport. After that they have a day and a half of practical sessions.

The practical sessions cover many of the group management aspects that individual climbers and walkers do not come across normally in their own pursuit of the sport. Topics cover anything from advanced first aid, navigation, scrambling, single-pitch

climbing with larger groups to multi-pitch climbing with smaller groups.

By contributing to this every year, we as ULGMC continue our links with ULMC and the wider student community by enabling them to bring new members into our sport safely.

Editor: after having missed a know on Tower Ridge (at the gap) and seeing the rope disappear in to the darkness I know this is an important topic!

Meets Secretary Report

Linda Coombs

We had 173 people of the formal club meets!! Check out the numbers in the table!

New Committee Members Needed!

Seeking a fulfilling role in the outdoor sector? ULGMC needs you! We're currently looking to fill several roles.

Being a ULGMC committee member is a great way to boost your organisational, leadership, team-working and social skills. As a committee member of 7 years I can genuinely say, it's really satisfying, particularly while we are seeing a new influx of members.

So, as the green cross code man's voice double once said, "Join me, and together we can rule the galaxy!"

Subscriptions. Motion for joint membership to be raised to £35, single membership to remain at £20.

Direct debits. Proposal to allow membership to be paid by direct debit, using the company "GoCardless", who are used by many other organisations to process direct debits. 5 Officer's Reports

5a. President's Report (Heather Rumble, HR)

Membership is up but still needing to push new members. HR suggested people nag new people to come on meets! Meets are the main advertisement. A BMC survey said that the main reason for joining clubs is to meet people. Constitution amendments were discussed. The BMC suggested adding a clause about expelling members, and the committee took the opportunity to tidy up the rest of the constitution. There was discussion whether the length of the clauses on expelling members was excessive and noted that proposed ULGMC wording is not as long as the BMC guideline. HR thanked Shaun West (newsletter) & Jill Bennett (archivist)

5b. Secretary (Mike Pollitt, MP). Nothing significant to minute

5c. Membership Secretary (Stephan Tietz, ST). Covered above

5d Meets Secretary. (Linda Coombs, LC). LC reminded people that there is a pub meet in the London area on the first Thursday of the month. A provisional meets lists was distributed.

5e Hut wardens / trustees. MP spoke about Caseg Fraith. Many thanks to Elspeth Howell for her work as warden and booking secretary. The warden part of the role was handed over to Phil Tarr in March, so thanks also to him for his work. There is a new deputy hut warden: Sally Brown who took over in January.

Mike Warden (MW) spoke about Fallcliffe cottage. Things were similar to last year. Dave Morley (Fallcliffe hut warden), obtained a £3000 rebate on the electricity. Work will be needed on the car park retaining wall. The warden was considering flat fee rate for exclusive use of the hut, to counter the problem of people booking the entire hut and then not filling it. Volunteers requested for Deputy Hut Warden.

5f BMC Area Meets

Trefor Owen, BMC Wales. Discussion of an access review (climbers damaging SSSI), and small scale hydroelectric schemes. General points: First Hydro Slate Quarries access position unchanged (i.e. no permission required). Cairn problem (i.e. too many) & false paths.

6. Programme for 2015

Meets programme was distributed. The date for the next AGM is 17th October 2015 at Fallcliffe / The Millstone, as per the meets list.
